Propulsion and equipment
Create an independent and environmentally friendly yachting experience which combines the silent cruising of a sail boat with the luxury of a motoryacht.
THE FUTURE OF YACHTING IS SOLAR

Embrace the sound of silence
Preserve the purity of the ocean
Experience unprecedented levels of tranquility and pleasure
SOLAR POWER for propulsion as well as all navigation, household & comfort appliances on board.

WORLD RECORD 2018 - Silent 64 first ever solar powered production yacht to cross the Atlantic Ocean.

AWARD WINNING technology 17x awards won honoring our drive for innovation since 2009.
SILENT 55
In November of 2019, the SILENT 55 won the “Best of Boats Award” in the category “Best for Travel”. 

This specific category is clearly defined as “suitable for long distance travels with all amenities to live on board permanently, adapted for both inland waters and the tough conditions at sea”. 

The Front Exit Version offers guests an additional exit in the front of the salon. 

Generally, she can easily be handled by two people, making the SILENT 55 ideal for families cruising with or without additional crew.
